

We are excited to offer internship opportunities at OFoundation for Graphic Design and Video Editing students. We are pleased to extend internship opportunities to the talented students of Sakarya University Of Applied Science, offering them a unique chance to gain hands-on, international work experience within a purpose-driven organization. We collaborate with professional partnerships such as Psychology and E-commerce & Marketing with a team of 45 members.

At OFoundation, we are committed to empowering interns and trainees by immersing them in real-world projects under the guidance of dedicated mentors. To learn more about our organization and values, please visit our main website: www.ofoundation.nl

Students interested in applying can do so through our dedicated internship pages:

Video Editor application link:

Thank you for your time and consideration. We look forward to potentially partnering with your esteemed institution to provide valuable learning experiences for your students.

Warm regards,
Abolfazl Alizadeh
HR at OFoundation
